Fair Estate

Netherlands

About us:

Fair Estate is the app that helps you to keep track of the real estate market to find your ideal home for a fair price in the Netherlands.

We have four options available that can help you find amazing houses!

Camera

Estate Camera

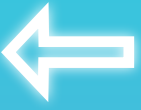

Take a picture of one of our QR codes on a house mark. You can also check out our estates by looking for specific locations on the Estate Locations page.

Make sure to share the house you like with others or mail it to yourself to save it!

Enable camera

Share

Estate Locations

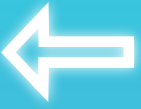

Search all the locations where you can find estates that we keep track of for amazing prices.

Make sure to share your house with your friends or mail it to yourself to save it!
